Sunday 10 November ETA COMPETITION - EDENBRIDGE

We are really pleased that ETA have organised their 2013 Competition in Edenbridge Leisure Centre. We are hoping that all Oaks students who would like to try competing can use this opportunity without having to travel the length of the country! If you don't want to compete please come and spectate. More details to follow.

Thanks to everyone who was involved in Oaks first ever Summer Camp. During the week of 19-23 August over 60 students enjoyed events ranging from Taekwon-Do lessons, padded weapons & sparring to

sumo wrestling, gladiators, bouncy assault courses and outside games. All the Oaks instructors had such a great time that we have decided to set up another camp in the Half Term Holiday - see below!
